2nd verse

From the mountain high to the val-ley low,
 We gotta help ev-ery thing to grow.
 She used to do it on her own now we've
 Gone and messed up our lovely home.

3rd verse

Clear riv-ers, clean air,
 It's not to late so don't des-pair.
 Jus' treat her right an' she'll be fair,
 Be-sides there's no-where else to go but here.
